

Starting February 1, 2016, McMahon will be the preferred pharmaceutical products distributor to Top Drug corp. based in Ontario.

MCMAHON'S VISION

Be the pharmacist's preferred partner and become an industry reference for pharmaceutical distribution.

MISSION

Go beyond our clients' expectations by providing an outstanding service and solutions that contribute to their success and to the wellbeing of their customers.

ABOUT US

A specialist in pharmaceutical distribution

McMahon Distributeur pharmaceutique inc. is a subsidiary of Metro Richelieu inc. and specializes in distributing pharmaceutical and parapharmaceutical products in Quebec and Ontario. An organization that is renowned for its focus on customers' needs and for its range of exceptional services.

The client first and foremost

McMahon goes above and beyond for its clients every day. The company directly serves **pharmacies** (Brunet, Clini Plus), **grocery**

stores (Metro, Super C, Food Basics), **community centres**, and different **health care institutions** including **hospitals**.

Serving affiliated pharmacists owners

McMahon is also a franchisor for Brunet, Brunet Plus, Brunet Clinique, and Clini Plus. We've earned the trust of many affiliated pharmacists owners. In fact, in 2015 our network included more than 180 affiliated pharmacists whose businesses continue to grow every year.
